Warranty Policy

This product has passed rigorous inspections. If a malfunction occurs under normal use within the warranty period, we will repair or replace it with an equivalent product free of charge in accordance with these warranty regulations. Please bring the product and warranty certificate to the store where you purchased it.

Malfunctions occurring within one month of purchase will be replaced due to initial defects.

After one month, it will be treated as a repair.

However, the following cases are not covered by the warranty and will be subject to a charge for repair:

- 1. If the purchase date is not clearly stated.
- 2. Malfunctions and damage due to mishandling, or if the product has been repaired or modified.
- 3. Malfunctions or damage caused by movement, dropping, or shipping after purchase.
- 4. Malfunctions or damage caused by fire, natural disaster, or abnormal voltage
- 5. Malfunctions and damage caused by defects in other connected equipment or other external factors

*This warranty is valid only in Japan.

*We will not reissue warranty certificates, so please keep them safe.

*For details regarding repairs after the warranty period has expired, please contact the store where you purchased the product or our support center.
